

Martin L. Johnson, MD

Curriculum Vitae

Rev. 1/5/2015

THE DERMATOLOGY CLINIC

3633 Central Avenue, Suite N
Hot Springs, AR 71913
(501) 623-6100

EDUCATION:

Dr. Johnson received his doctorate in medicine at Louisiana State University in 1986. He completed his dermatology residency at Wilford Hall Medical Center in 1994 and subspecialty training in Immunodermatology at the University of Colorado in 2006. A Diplomat of the American Board of Dermatology, he is ABD-certified in both Dermatology and Immunodermatology. He practiced in the United States Air Force for 22 years, serving as Chief Dermatology Consultant to the USAF Surgeon General for five years, and retired at the rank of Colonel. He is a member of numerous professional organizations. He specializes in general and surgical dermatology, with special interests in skin cancer, Mohs Micrographic surgery, infectious diseases and inflammatory diseases (psoriasis, eczema, Lupus, autoimmune and similar disorders). Dr. Johnson is on active staff with Mercy Hospital of Hot Springs and National Park Medical Center.

PAST POSITIONS:

- | | |
|----------------|--|
| 2005 – 2007 | Colonel, USAF MC
Chief of the Medical Staff
314 Medical Group/SGH
Little Rock AFB, AR 72099 |
| 2003 – 2005 | Chief, Dermatology Element
375 MDOS/SGOMD
Scott AFB, IL 62225 |
| 2001 –2005 | Chief Dermatology Consultant to the USAF Surgeon General |
| 2004 (Aug-Dec) | Senior Officer/Flight Surgeon/SGP (Deployed)
435 Contingency Aeromedical Staging Facility
Ramstein AB, Germany |
| 2001 - 2003 | Commander, 7 th Medical Operations Squadron
Dyess AFB, TX 79607 |

1999 – 2001 Medical Services Flight Commander, 81st Medical Group, Keesler AFB, MS
Chairman, Institutional Review Board, 81st Medical Group, Keesler AFB, MS

Clinical Instructor, Department of Dermatology
Louisiana State University Medical Center, New Orleans, LA

Staff Dermatologist, Tulane Dermatology Affiliates
Gulfport, MS

1996 – 99 Dermatology Element Chief, 81st Medical Group, Keesler AFB, MS

1994 – 96 Dermatologic Immunology Fellow, University of Colorado Health Science Center,
Denver, CO

1991 – 94 Dermatology Resident, Department of Dermatology, Wilford Hall Medical Center,
Lackland AFB, TX

1990 – 91 Chief, Flight Medicine, Barksdale AFB, LA

1987 – 90 Chief, Aerospace Medicine, F. E. Warren AFB, WY

EDUCATION:

1982 – 86 Louisiana State University
Doctor of Medicine

1979 – 82 Louisiana Tech University
Bachelor of Science, Zoology

1975 – 79 Springhill High School, Springhill, LA

POSTGRADUATE TRAINING:

1994 – 96 Research Fellow, Immunodermatology, University of Colorado Health Science Center,
Denver, CO

1991 - 94 Resident, Dermatology, Wilford Hall Medical Center, Lackland AFB, TX

1986 – 87 Intern, Internal Medicine, Wilford Hall Medical Center, Lackland AFB, TX

LICENSURE:

2007 – present Arkansas State Medical Board #E-5113

1997 – present Mississippi State Board of Medical Licensure #15320

1986 – present Louisiana State Board of Medical Examiners #018949

Current Texas Medical Board #M6214

BOARD CERTIFICATION:

1994 American Board of Dermatology

2001 Clinical and Laboratory Dermatologic Immunology

ACADEMIC APPOINTMENTS:

- 1998 - present Clinical Instructor in Dermatology, Louisiana State University School of Medicine,
New Orleans, LA
- 1994 – 96 Dermatology Immunology Fellow, University of Colorado Health Science Center,
Denver, CO

PROFESSIONAL AFFILIATIONS:

American Academy of Dermatology, Fellow
Society of Military Dermatologists
American Medical Association
Alpha Omega Alpha

MILITARY TRAINING COURSES:

- 2004 Contingency Aeromedical Staging Course
2003 Joint Operations Medical Management Course
1999 Air War College Seminar
1998 Medical Management of Biological Casualties
1989 Operational Problems in Aerospace Medicine
1988 Global Medicine
1987 Aerospace Medicine Primary Course
1987 Combat Casualty Care Course

HONORS AND AWARDS:

- 2004 Interagency Physician Assistant Program Preceptor of the Year
- 1994 Dermatology Residency Training In-service Exam, 99th percentile
- 1993 Dermatology Residency Training In-service Exam, 99th percentile
- 1992 Dermatology Residency Training In-service Exam, 98th percentile
- 1986 Distinguished graduate, first in class, Louisiana State University School of Medicine,
Shreveport, LA
- 1986 Recipient, Hargraves Award for academic achievement in the study of Internal Medicine
- 1985 Alpha Omega Alpha, anno domini
- 1984 Recipient, Sherman T. Matthews Award for academic achievement in the study of
pathology, Louisiana State University
- 1983 Distinguished graduate, Louisiana Tech University, Summa Cum Laude, 4.0 GPA
- 1979 Valedictorian, Springhill High School, Springhill, LA
- 1979 Recipient, The American Legion Award
- 1978 First place, Louisiana State American Legion essay contest “Americanism versus
Communism”

RESEARCH EXPERIENCE:

- 1994 – 96 Immunodermatology Fellow, University of Colorado Health Science Center, Denver, CO. Primary emphasis: Cytokine production and detection in individual epidermal cells.
- 1994 – 96 Principal investigator, original protocol: Analysis of the effects of UVB irradiation of the bone marrow/spleen cell inoculum on the subsequent development of graft-versus-host disease and leukemic relapse in leukemic RF-strain mice after allogeneic bone marrow/spleen cell transplantation. Directorate of Clinical Investigation, Fitzsimmons Army Medical Center, Aurora, CO.
- 1993 Principal investigator, original protocol: A study of ultraviolet B (UVB) photoprophylaxis of graft-versus-host disease after allogeneic bone marrow transplantation (BMT). Wilford Hall Medical Center, Lackland AFB, TX.

PRESENTATIONS:

- 2008 Synergizing the Healthcare Team: Strengthening Laboratory Ties to Clinicians and Nurses. Presented at the American College of Clinical Pathologists (ASCP) Leadership Exchange, San Francisco, CA, 2008 and the ASCP 2008 Annual Meeting, Baltimore, MD.
- 1999 Huiet JF, Ratliff TW, Johnson ML, Locicero RJ, Thomas AW: Hydroxyurea-induced leg ulceration in two patients with chronic myelogenous leukemia. Presented at the Air Force Regional Meeting of the American College of Physicians, in association with the Society of Air Force Physicians, Oakland, CA, April 1999.
- 1998 Johnson ML, Walsh P, Kelly KA, Reardon, CL. Macrophage-colony stimulating factor protein production by murine but not human keratinocytes. Society for Investigative Dermatology Annual Meeting.
- 1996 Johnson ML, Reardon CL. Monensin facilitates Golgi staining of intracellular cytokines in epidermal cell lines. Society for Investigative Dermatology Annual Meeting.
- 1995 Johnson ML, Reardon CL. Detection of intracellular cytokines in epidermal cell lines by immunofluorescent labeling of the Golgi apparatus with cytokine-specific monoclonal antibodies. Society for Investigative Dermatology Annual Meeting.
- 1995 Johnson ML, Wilcox LR. Acuminate parakeratotic keratoderma: a histologic simulator of porokeratosis. American Academy of Dermatology Annual Meeting.
- 1993 Johnson ML. Bullous pyoderma gangrenosum induced by granulocyte-colony stimulating factor. American Academy of Dermatology Annual Meeting.
- 1993 Johnson ML, Adams JS, Progressive acute graft-versus-host disease: Remission induced by ultraviolet-B radiotherapy. Society of Air Force Physicians Annual Meeting
- 1993 Johnson ML, Adams JS. Bullous pyoderma gangrenosum induced by granulocyte-colony stimulating factor. Southeastern Dermatologic Association Annual Meeting.
- 1992 Johnson ML, Davis TL. Steatocystoma multiplex induced by epilation. American Academy of Dermatology Annual Meeting.
